
Question Sort

Directions for the Teacher: Make one copy of this handout for each group of students and then cut on the lines to create question strips for the activity. Place each set of question strips into an envelope to distribute to groups during class.

Do we stand and discuss its oddity

or do we ignore it?

Do we shut our eyes to it

or poke it with a stick?

Do we clobber it to death?

Do we move around it in rage / and enlist the rage of others?

Do we will it to go away?
